

The Christian Multi Enterprise Agreement

A future you can have faith in.

Dear Staff,

Welcome to The Tasmanian Independent Christian Schools (Teachers) Multi Enterprise Agreement 2019 – or as it has been coined – the Christian Multi Enterprise Agreement (CMEA).

For much of this year, I have been working with the leaders of six of Tasmania's Christian schools to create a bold new framework for Christ-centred education.

Joining forces with a number of our fellow Christian schools across the state, the CMEA is leading the way for raising teaching standards in Tasmania, ultimately providing better outcomes and results for the students. And, for the first time in Tasmania we have the opportunity to break away from other independent schools and create a new pathway of excellence where faith is at the core. There is strength in our unity for each other and our community.

It's important to note the core of the CMEA, and what I am most proud of, is the framework that has been put in place to support our most valuable asset – our teachers. The agreement provides you, our teachers with the opportunity to create your own pathway and be where you want to be.

Whether you're a teacher wishing to take on additional roles and responsibilities outside of the classroom, or your heart is strictly in the classroom, the CMEA provides a salary progression for all.
